

Singapore Extravaganza with Genting Dream Cruise Ex MAA

6 Nights / 7 Days

Singapore! Combining the skyscrapers and subways of a modern, affluent city with a medley of Chinese, Malay and Indian influences and a tropical climate, Singapore makes a great springboard into the region. Not only has Singapore's history of migration left a rich cultural and architectural legacy that makes wandering the streets a delight, it has also created for itself the world's greatest eating capital. You don't have to look far to find echoes of the Island's colorful, rakish past, or evidence of a thriving and creatively unfettered artistic community. Singapore's soul is alive and well - and it is unique.
